

## “Forget-me-nots and Rosebud” ~ Original Memory Box

© 2006 ~ Jill Paris Rody CDA ~ 4 Photos.

### SURFACE:

11 x 3” box. This pattern can easily be reduced or enlarged to suit the artist’s surface.

### PALETTE: (Delta Ceramcoat)

White	Blue Mist	Peony	Lima Green
Custard	Blue Danube	Pink Quartz	Leaf Green
Butter Yellow	Ocean Reef	Raspberry	Dark Forest
	Blue Bayou	Mulberry	

### BRUSHES AND TOOLS:

#1 Liner	3/8” Angular	1” (Bright) Flat	Palette Knife
#3 Round	#4, 6, Filbert	Stylus

### MEDIUMS:

Delta All Purpose Sealer ~ *Use for pre-preparations.*

Delta Acrylic Thinner ~ *Use instead of water to thin paints.*

Delta Gel Blending Medium ~ *Use to extend working time for blending.*

Delta Satin Interior/Exterior Varnish (*spray or brush-on*)

### MISCELLANEOUS:

Tracing Paper

Transfer Paper

Sharp Pencil

Dry Palette

White Vinyl Eraser

Q-Tips

### PREPARATIONS:

1. Seal entire box inside and out with large brush and All Purpose Sealer.
2. Top and bottom of box: Slip-slap Gel Blending Medium, then apply colors randomly (heavy application of paint) and move and blend together where they touch edges. Do not over blend as to make just ‘one color’, but at the same time, create a soft ‘cloudy’ look of sky and greens and blends and whites and blends.....
3. Paint inside of Box White, **or** a pale color from the palette (i.e. pale pink, pale blue or pale green, pale yellow).
4. Dry well.
5. Trace and Transfer Pattern basics.

### Base-in:

1. Rose: Raspberry using #6 Filbert.
2. Forget-me-nots: Ocean Reef with filbert “leaf” strokes, leaving centers open.
  - Centers: Use a q-tip to dot Butter Yellow on full five-point petals.
3. Stems and Leaves: Dark Forest lightly thinned, using chisel of #4 and #6 filberts and leave strokes.
4. Ribbon: Raspberry, using #4 Filbert.

### Clean up all graphite lines.

### 1<sup>st</sup> Highlight

1. Rose: Floats of Pink Quartz along edges using Angular shader.
2. Forget-me-nots: Overstroke with Blue Danube using #4 Filbert and slightly smaller strokes than fit within the previous color marks. (don’t be too perfect!)
  - Centers: Use a q-tip to re-dot slightly off-center with Crocus.
3. Stems and Leaves: Overstrokes of Leaf Green using #4 Filbert.
4. Ribbon: Floats of Pink Quartz using Angular Shader.

### Shade

1. Rose: Use Mulberry at base of petals using Angular Shader.
2. Forget-me-nots: Line at base of all petals w/ 2-3 lines of Blue Bayou.
3. Stems and Leaves: Line to separate each stem, and add center veins on main leaves.  
Also add accent lines at root-ends of stems.
4. Ribbon: Use Mulberry at every twist of ribbon, as well as ‘inside’ loops of ribbon.

### “Phantom” elements: (These are very faint in intensity)

1. Forget-me-nots: Use thinned Ocean Reef on a #4 Filbert for faint “leaf-stroke” petals interspersed here and there. Centers are tiny dots of Butter Yellow.
2. Stems and Leaves: Use *very thin* Dark Forest on a #4 Filbert for faint “leaf-stroke” Leaves and stems, interspersed here and there.

### 2<sup>nd</sup> Highlight

1. Rose: Peony is applied in floats on edges of outward-turning petals using the Angular Shader; and dry-brushed on the center of rose-bowl using the #4 Filbert.
2. Forget-me-nots: Repeat short over-strokes on the tips of most petals using #4 Filbert; those petals stroked on the inside of each blossom (towards center of design) can remain un-highlighted here.
3. Stems and Leaves: Over-stroke with Lima Green using the chisel of the filbert for the stems, and smaller ‘leaf-strokes’ for the leaves. Then repeat with Lima Green + White (3:1) on the center area of the main large stems, and larger leaves only.
4. Ribbon: Overstroke with Peony + Pink Quartz (1:1) using #3 Round; then repeat smaller with Peony only.

### Additional Applications:

1. Add more tiny “Phantom” Blossoms in thinned Pink Quartz, and thinned Peony using #4 Filbert; centers are tiny dots of Crocus.
2. Intersperse clusters of ‘gentle’ Crocus dots throughout the design using a Q-tip.
3. Glaze some of the darker petals of blue flowers with very thin Mulberry.

**Finishing:** Sign if desired; dry; and Varnish several times with your Varnish of Choice.
