

This box was created and donated by _____, a decorative artist. The pattern on the box is based on an original design by artist _____

The Memory Box Program (<http://www.memoryboxes.org/>) is comprised of a group of artists who donate their time and money to create Memory Boxes for families grieving the loss of a newborn. Each box is created with great love and a sincere wish to reach out to these families in support and understanding. As artists, we hope this box brings you some small comfort, and the knowledge that we know your child was special and loved very much.
